## Art Supply List

- All of the supplies listed are either from Blick or Amazon. All of the items have been linked and have prices.
- Sketchbooks, pencil sets and Charcoal. These supplies are all available and more economic on Amazon. However, they are all available at Art stores such as Hobby Lobby and Michaels. I have listed the requirements below . All of these supplies should cost less than \$45.
  - Sketchbooks: The sketchbooks should be around 8"x10". Do not purchase a smaller size. Sketchbooks should have BLANK sheets of paper, not lined. Spiral bound or book bound sketchbooks will last longer. Any brand is fine.
  - Graphite Pencil Sets. I would like all students to purchase are the 18 piece Prismacolor Graphite drawing pencils. If for some reason they can't find this brand, they need to purchase a pack as similar as possible.

- General's Charcoal Pencil Sets: This is a set of four charcoal pencils. One is white, three are black, and it includes a small kneaded eraser.
- Storage container or Pencil Bag.
