

Become a Host Family

Open Your Heart and Home!

ICES (International Cultural Exchange Services) is looking for local families to host international students in the **2019-2020** school year.

Think Global Act Local by Hosting an ICES Exchange Student

Hosting a student is an exciting and rewarding experience. Families share in the evolving process of bringing the world closer together through cultural sharing and friendship! Most of all, they gain a new family member with whom to share love and friendship that will last a lifetime!
