Mocktails, Cocktails & #MomFails

Calling all moms! After a full Saturday of soccer games, birthday parties, piano lessons, ballet classes, and oh yeah did we mention birthday parties (?) — Mama needs a minute! For all the miles you’ve spent schlepping your sweet little ones all over town, for the middle of the night wake ups, for the times you’ve tried to get it right but got it oh so wrong— it’s time to treat yourself. Let’s get a refreshing and extra delicious cocktail in your hand...or in both hands, no judgment here. And, for the expecting mom, or for the mom that wants to go alcohol-free, you deserve more than a boring ol’ Topo Chico or plain bottle of water. Let’s dress up that non-alcoholic bevvy and get creative with a cool and tasty mocktail that is sure to amp up your evening! For the mom whose only sustenance that day was a several days old banana and a handful of goldfish, we've got you covered. There will be an array of delectable treats, both savory and sweet, to fill that tummy (that may have seen it’s better days, but Jesus, Mary and Joseph so help us if anyone mentions their morning Peloton or Orange Theory workout while we’re stuffing our faces). Moms of SCM, please join us for a fun, festive, casual evening where we can all drink, eat, and be merry!

SCM parent and museum docent Kerri Neimeyer and friends will be your guides for a “slow looking” tour and a post-tour discussion over wine and hors d’oeuvres in the museum cafe. Start the year with inspiration and renewal, culture and community.

Come experience last year’s Fiesta Cubana on a whole new level- MIAMI VICE STYLE! You’ll be transported back to early ’80s Miami where the boats were fast, the music was bumping and the people were hot!, hot!, hot! This will be a night to remember, so “don” your best pastel colored linen jackets, swankiest bejeweled shoulder pads and get ready to dance the night away while enjoying Cuban cigars, roasted pig, mojitos and a very special Miami Vice signature cocktail! But fair warning: don’t be surprised if you find yourself swimming with flamingos or going home with a new pet alligator… this IS Miami after all! So do yourself a solid, and come relive the Wild, Wild West days of Miami when Crockett and Tubbs’ gangster-fighting ways became the soundtrack for a whole generation. Now let’s turn that beat around, because once that rhythm hits your system, there’s no way you’re gonna stop!
