

Palos Verdes Peninsula Unified School District
Superintendent Dr. Alex Cherniss

March 20, 2020

Dear PVPUSD School Community,

As you know, the County of Los Angeles issued a [Safer At Home Order](#) effective until April 19th. Based on this new information, the District will remain on an extended learning model through the duration of this Safer At Home Order. Specifically, students, and staff not needed for minimal ongoing operations, will not return to campus until April 20th, 2020 at the earliest. The District will reevaluate the situation as we near this April deadline.

We will continue to update you as things progress. In the meantime, please stay safe and adhere to the guidelines and advice set forth by our State and County agencies. Information can be accessed on our website at <http://www.pvpusd.net/>

Respectfully,

A handwritten signature in black ink, appearing to read "Alex Cherniss".

Alex Cherniss, Ed.D.
Superintendent of Schools
