March 15, 2020

Dear Parents and Guardians,

Here is the update for this evening:

- Tomorrow, 3/16, is our first day of remote instruction. All resources are on the website at www.unionbeachschools.org. Please look under the “District” tab, then click on “Coronavirus Information,” and “Remote Learning Resources” is at the bottom of the page.
- Breakfast and lunches will be available for eligible students beginning on Tuesday, 3/17. Those students have already been given a survey to determine who would like to receive meals. If you feel that you are eligible for breakfast or lunch during the closure, and you did not receive a survey, please call the school at 732-264-5400. On Monday, we will be reaching out to those students receiving meals to advise them of the time and location of the meal distribution.
- If, for some reason, your device or internet is not working, please call the school to arrange for assistance. A technology survey was sent home, but if something has changed, we have several devices that can be sent home for students to complete their work.

This is new for all of us, and we are here to support you. Thank you so much for your patience and cooperation during this time. Please call the school or email us with any questions or concerns you may have.

Be well,

Amanda Lewert
