We understand that this process will take time for all involved. All course content is “static”, meaning parents and students may access it at any time. Also, our IT and business departments are working on providing devices for families in need during this

time. Although we face a significant challenge, in the words of Charles Dickens, “We must meet reverses boldly, and not suffer them to frighten us...We must learn to act the play out. We must live misfortune down”.

Best,
Kathryn Locheed
