

Good Evening Hale Families,

We would like to welcome you back to Hale Charter Academy for the 2019-20 school year and look forward to seeing everyone again this Tuesday, August 20th. We have a few reminders to prepare you for opening day. Our first bell rings at 7:47 a.m. School begins at 7:57 a.m. Please allow yourself extra time; it is always busier the first few weeks as families establish their drop-off routines. Please take time to look at the “Pedestrian and Traffic Safety” and “Traffic Information” forms located on our website prior to the morning of the 20th. Entrances are located on Califa, Platt, and Hatteras. The Main Gate opens at 7:15 a.m. All other gates open at 7:30 a.m.

Parents, we are a closed campus. Please say your goodbyes to your child prior to entering the campus. We will have many staff members stationed around the campus to help our students find their way. If students did not come to Orientation or are confused about where to go, we will have all advisory classrooms posted in the covered lunch area and all schedules will be in the students' advisory. Like all Tuesdays, school will end at 1:29 p.m. All students staying after 1:50 p.m. must report to either Youth Services or Boys and Girls Club. All gates except the Youth Services gate will be locked at that time.

Huskies, we are excited to have you back and look forward to a successful year.

Mr. Perdigao
