RE: Gift in Kind Donation

Dear Friend,

In 1860, the Academy was founded under the vision of Mother Xavier and the mission of the Sisters of Charity of Saint Elizabeth. The Academy is the oldest all-girl Catholic high school in New Jersey. **Today 160 years later, the mission remains—to promote the disciplines of academic excellence and moral responsibility within our young women by sustaining a scholarly environment and a nurturing community of faith.**

Our most important event of the year, the annual fashion show and gift auction will be held on April 2, 2020, at the Birchwood Manor in Whippany. This event will mark its 39th consecutive year honoring our graduating seniors during this family oriented, fun occasion.

In order for our efforts to be a success we rely on the generous support of our community to donate items to use for the gift auction portion of the event.

Proceeds from our fundraiser are used to directly support the annual fund at the Academy of Saint Elizabeth which offers a vibrant, college preparatory academic curriculum in a single gender environment where are students are empowered.

Your consideration of a gift is greatly appreciated. If you have any questions, please feel free to reach out to me directly using the contact information below.

With gratitude,

Gift Auction Committee, Member
