

FRYBERGER'S GIFTED AND TALENTED EDUCATION PROGRAM

Mission for GATE students

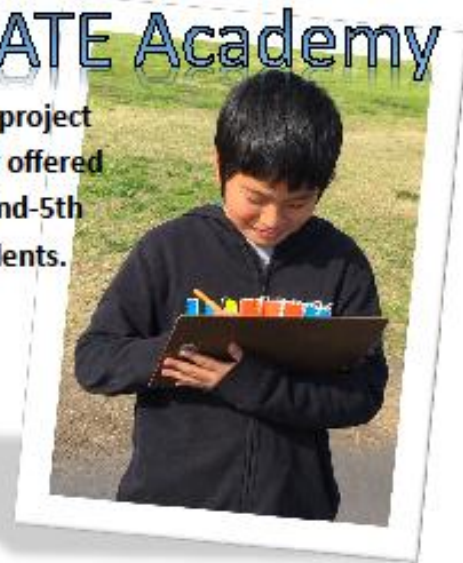

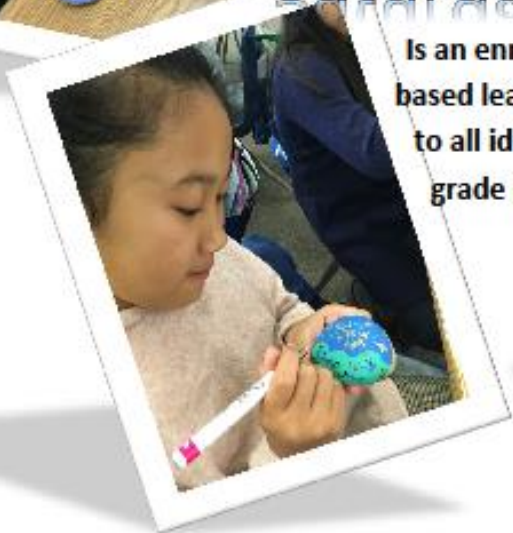

- Nurture potential of students
- Challenge those with advanced learning capabilities
- Address the needs of gifted learners across all curricular areas
- Differentiated instruction that will compact, enrich, and/or accelerate the regular curriculum

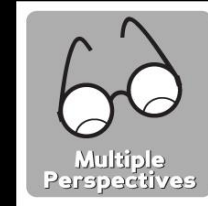

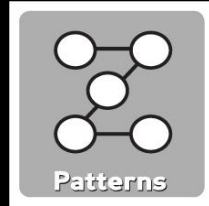

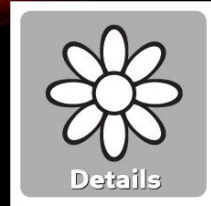

Fryberger School

Saturday GATE Academy

Is an enrichment, project based learning day offered to all identified 2nd-5th grade GATE students.

Characteristics of GATE Students

- ✓ Engage in a great deal of experimentation
- ✓ Extreme curiosity and questioning
- ✓ Question rules, customs and traditions
- ✓ Have highly focused interests: immerse themselves in these interests
- ✓ Imaginative
- ✓ High level of energy
- ✓ Value logical, rational approaches
- ✓ Extra emotional; may be over sensitive
- ✓ Heightened capacity for seeing unusual and diverse relationships
- ✓ Think in alternative and abstract terms
- ✓ Their intellectual development out-paces their social & emotional development

Myths about GATE Students

- ✓ They can succeed without help
- ✓ Their special abilities are always prized
- ✓ They are not aware of being different
- ✓ They enjoy serving as examples for other children
- ✓ They are insensitive & disrespectful
- ✓ They like to be alone
- ✓ They should be valued primarily for their brain power
- ✓ They are more mature and emotionally stable
