## HAVE YOU ASKED YOURSELF ANY OF THESE QUESTIONS?

- How can I help my child be successful in school and in life?
- How can I maintain my child's home language?
- What can I do to support my child's heritage?

If so, consider

**El Marino Language School**

### What is a Dual Language Program?

- Integrates English-speaking students and speakers of the target language (Spanish) for academic instruction.
- Students learn the academic content and gain proficiency in English and Spanish.
- Special emphasis is placed on the active use of instructional strategies that promote cross-cultural cooperation and learning.

### Program Goals

*Students will gain:*

1. Language proficiency in both English and the Spanish
2. Academic Achievement in both English and the Spanish.
3. Positive self-esteem, cultural awareness and sensitivity.

### Program Curriculum

The standards and curriculum at El Marino Language School are the same as for all students in the Culver City Unified School District. Teachers carefully select the language of instruction depending on the subject and the theme.
