

CALVARY CHAPEL SCHOOLS FROM THE DESK OF THE CHANCELLOR

Cornavirus Update #3

Dear Calvary Chapel Schools Community,

More school districts in our area are closing, and we are considering our position on closing hour by hour. I will notify you again later today if we decide to close. In preparation for a possible closure, I have just instructed all staff to advise students to take home appropriate learning materials this afternoon and to have Junior and Senior High School students clear out their lockers.

This is NOT a notice of closure. Stay tuned for my update later today on

developments.

God bless,

Dr. John Moran
Chancellor
