Open Enrollment Request Forms will be available at each of our school sites beginning February 6, 2019 through April 12, 2020 (during the Open Enrollment Window).

In an attempt to provide parents Public Schools of Choice (Open Enrollment) for their child(ren) the following procedures shall be utilized:

- Intra-district transfer (open enrollment) requests shall be initiated by the parent/guardian during the open enrollment window period of the school year prior to the desired year of attendance.
- Parent shall request an Open Enrollment form from their school of residence by meeting with the principal and completing the Open Enrollment Request for School of Choice Attendance form.
- Open enrollments shall be approved when space is available. However, priority will be given to siblings of students already enrolled at the open enrollment school site.
- Once an open enrollment has been approved for a student, the requested school is considered the student's home school.
