## Words of the WEEK: 1/28- Judge & Distinguish

### Los Alisos Middle School Shared Values

Respect	Directness	Edification	Kindness	Professionalism
Humor	<b>Valued</b>	Support	Understanding	Sensitivity

In the classroom an act of kindness can connect us all and unleash the healing power of humanity. With the Great Kindness Challenge, Los Alisos celebrates the power of a kindness connection as students spread humankindness to friends, family, and community members. We can all learn from kids a lesson in kindness. In fact, a recent survey found that 74 percent of people feel that adults could learn a lot about kindness by watching how children interact with the world. So no matter what your age, look to children for an inspiration of kindness and create powerful connections with those around you.
