Dear Parents and Guardians,

What an incredible first semester we had here at Fort Loudoun Middle School. We accomplished great things in this short time, and hope you and your child had an enjoyable first half of the school year.

The next semester is extremely important and we want to stress the importance of being present each day to help all students finish this year strong. Teachers are covering a large amount of information. The best way for your child to master the skills, is to be at school and engaged in each lesson. Should your child need to be absent due to illness, please remember to send in a doctor or parent note to be excused.

Should you want to set up a conference to discuss your student's grades or progress, please call either Mr. Gornto or myself.

Respectfully,

Patrick Bethel
