

Free Tutoring

**By National Honor Society Members
Every Morning @ BHS**

**7:30 AM until 8:00 AM
Room 1026 (by Mrs. Burcham's room)**

It seems as though there's always a catch to the word "free," but not this time! If your son or daughter in elementary, middle or high school is struggling with homework or any particular concept taught in class, National Honor Society (NHS) would love to help! We've struggled through many of the same classes that your son or daughter may be struggling with now. Tutoring will be available every day of the week from 7:30 AM until 8:00 AM with the exception of the week of semester exams and possibly state and MAP testing weeks (please check school schedule for dates). If additional days become unavailable, the student body will be notified. Please let us help. If you have any questions please e-mail Mrs. Burcham at mindy.burcham@beavercreek.k12.oh.us or Mr. Bisignani at

brian.bisignani@beavercreek.k12.oh.us .

Thank You,
