This comprehensive approach ensures that kids not only learn strategies for tackling every type of exam question (including the essay portion of the SAT or ACT), but they also can focus on the specific skill areas they need to improve. With this 4 hour boot camp, students will receive:

- Guided instruction with certified and credentialed SAT teachers
- Exposure to actual test content
- Practice materials for the reading, writing, and math sections
- Effective test taking strategies to improve standardized test scores
- 1 year online access to 3 additional SAT or ACT practice tests.

Deadline to register is Sept. 21st
