6th Grade Supply/Wish List – Independence

2019-2020 School Year

6/2019

While not mandatory, these items are highly recommended

The sixth grade team is requesting \$20 to purchase supplies. This year sixth grade is striving for simplicity, unity, and organizational skills in the classrooms. Beyond a \$20 donation, if your child would like anything additional, we prefer you wait two weeks to purchase, until your child knows what space he/she has available. There is limited space in lockers and desks and we will have everything essential provided except a backpack.

20 Bucks and it’s done.”**
