

Team Success

School Newsletter

Let's go, Wolves!

Principal's Message:

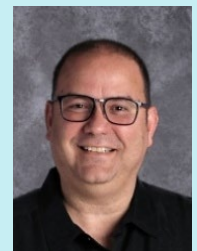

Hello Team Success Families! As the Thanksgiving break approaches, please remember that all students will receive a fall packet to complete over the break. This packet is **mandatory** and is due the day the students get back.

Our team is committed to creating students who are professional athletes of education. Let's continue to work hard so when they return from break they arrive focused and prepared to learn. We will continue to hold high expectations and push our students to be the best students that they can be.

Last month we had our tryouts for our second-year boys and girls middle school soccer teams. As soon as we know our game schedule, I will make sure to let everybody know so you can come to our games and support our teams.

At the end of October, we celebrated Fire Safety Month with our primary grades and they viewed a presentation and took a tour of an actual fire truck. We want to thank the Manatee Fire and Rescue Department for providing our students with this experience. They really enjoyed it and we are looking forward to having other events like this.

And as always, feel free to contact me with any questions or concerns you may have. My door is always open!
