  - **First Offense** – Device is confiscated, student is issued a warning, parent is emailed, and the student is allowed to pick up the device at the end of the school day;
  - **Second Offense** – Device is confiscated, parent/guardian is called, and a parent/guardian will need to pick up the device from the front office;
  - **Third Offense** – Device is confiscated, parent/guardian is called, and the student will then serve two days of after school detention;
  - **All Subsequent Offenses** will result in two days of after school detention and a parent/student conference with a school administrator.
