Dear Pleasanton Middle School Families,

Last Spring, PUSD conducted the [first annual Stakeholder Survey](#), which was open to all employees, parents/guardians, and students in grades 6-12. The survey focused on aspects of school climate including academic support, student support, school leadership, family involvement, safety and behavior, communication and community building, as well as overall school quality.

PUSD received nearly 4,000 responses total, including 499 from our Pleasanton Middle School community; thank you to all who participated.

A few highlights from the Pleasanton Middle School results include:
