

February 23, 6pm, HCC

WIN A CARIBBEAN CRUISE OR \$2000

Kerr Vance Academy is excited to present an evening of casino fun. This evening will generate funds to be used for development at KVA and will be a wonderful evening to celebrate our school. The students in all grades will benefit from the proceeds raised at this event. One lucky grand prize winner will win a cruise for two* or \$2000; other "jackpot" prizes such as local water front get-a-ways; a fishing charter out of Morehead City; a craft beer basket; and restaurant gift cards will be awarded to winning raffle ticket holders. The evening will include various casino tables and "play" money with which to try your luck, heavy hor d'oeuvres and a "wine pull". After attendees enjoy winning at the tables, they can trade their "earnings" in for more chances at the trip and subsequent prizes. Prizes will be drawn for at the end of the evening, you do not have to be present to win. Attendance tickets are \$125 per couple or \$100 for a single attendee (food, casino "money" and one chance at the prizes), and a non-attendance (raffle only) ticket is \$50.

Dress for the event is cocktail attire and the event location is the Henderson Country Club, 300 Country Club Drive, Henderson, NC 27536.

*Trip to be arranged after raffle, not to exceed a cost of \$2000. Travel must occur in 2019.

Please return this portion with a check made payable to "KVA." Multiple tickets can be ordered with one form. Your tickets will be held for you in the office or sent home with your child depending on which option you check below. Good luck!

____ Couple Attendance (\$125) ____ Single Attendance (\$100) and/or ____ Raffle Only (\$50)

Name (s) on ticket: _____
