

Attention LRHS Volunteers,

A live scan technician will be coming to Liberty Ranch High School during Back to School Night, August 28th, to fingerprint parents/guardians interested in volunteering. Please see below for details:

Liberty Ranch High School (12945 Marengo Road, Galt, CA)

Date: August 28, 2019

Time: 5:00 pm – 8:00 pm

Location: Administration Office Building – Front Office

We will have copies of live scan forms available for the technician. The live scan form will have LRHS listed at the top. This allows the district to keep track of volunteers at each site.

Any parent/guardian interested in volunteering may attend, along with anyone interested in becoming a volunteer coach is welcome to attend this event.

However, prior to fingerprinting, the interested volunteer coach(es) must receive approval from the Athletic Director, and the Athletic Director must inform the HR department about the volunteer coach(es). Please keep in mind that volunteer coaches still need to complete requirements for coaching and obtain approval from the board.

Thank you,
