Happy New Year!

We are very excited to begin 2019 with a renewed focus on academic success for all! Your child may have received a new Reading Log earlier this week. As a school focus, we are asking that all students read 20 minutes nightly. Students may read independently or be read to. At the end of each month, students will turn in this signed Reading Log to their teacher. All Reading Logs will be sent to the office, and one log per classroom will be selected for a reading prize. Help us ensure the success of all of our students by having your child read every night.

Every Day Counts

We want to make sure that your child is successful and does not miss instruction. Anyone with excessive tardies or absences (8 or more) will be required to meet with our administration team to discuss absences. Please help make sure that your child stays on track with learning by having them at school every day and on time.

Attendance is very important.

By the end of 6th grade Student "A" will have read the equivalent of 60 whole school days. Student "B" will have read only 12 school days. Which student would you expect to have a better vocabulary? Which student would you expect to be more successful in school...and in life?

1/28 Reunión de DELAC en la oficina del Distrito

¡Feliz año Nuevo!

Estamos muy emocionados de comenzar 2019 con un enfoque renovado en el éxito académico para todos. Su hijo debería haber recibido un registro de lectura a principios de esta semana. Como enfoque de la escuela, pedimos que todos los estudiantes lean 20 minutos cada noche. Los estudiantes pueden leer independientemente o escuchar un libro leído por un adulto. Al final de cada mes, los estudiantes deben entregar su Registro de Lectura a su maestro. Todos los registros de lectura se enviarán a la oficina y se seleccionará un estudiante por aula para un premio de lectura. Ayúdenos a asegurar el éxito de todos nuestros estudiantes haciendo que su hijo lea todas las noches.

Cada día Cuenta

Queremos asegurarnos de que su hijo tenga éxito y no se pierda la instrucción. Cualquier estudiante con tardanzas o ausencias excesivas (8 o más) deberá reunirse con nuestro equipo de administración para hablar sobre las ausencias. ¡Por favor, asegúrese de que su hijo se mantenga en el buen camino con el aprendizaje al tenerlos en la escuela todos los días y a tiempo!

La asistencia es muy importante.
