

ClassLink Mobile Quick Guide

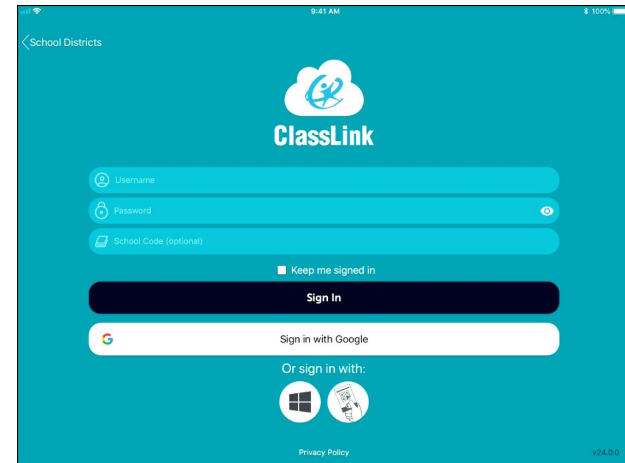

1. Download App

Once you have created an account, download the ClassLink LaunchPad app from your mobile app store. **Choose ClassLink Launchpad as district.**

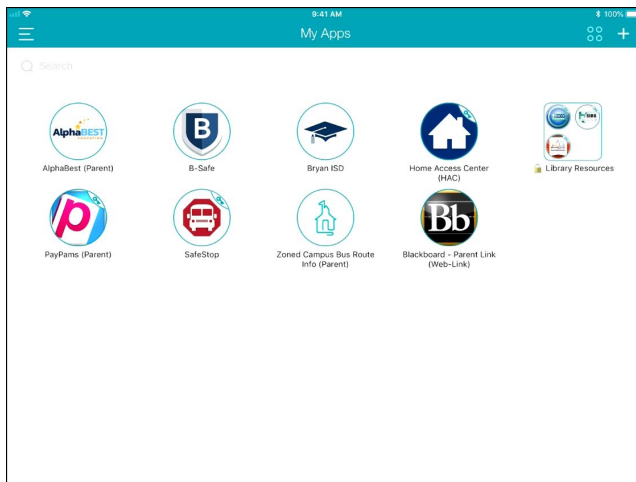

2. My Apps

Log in using the username and password created when you set up your account.

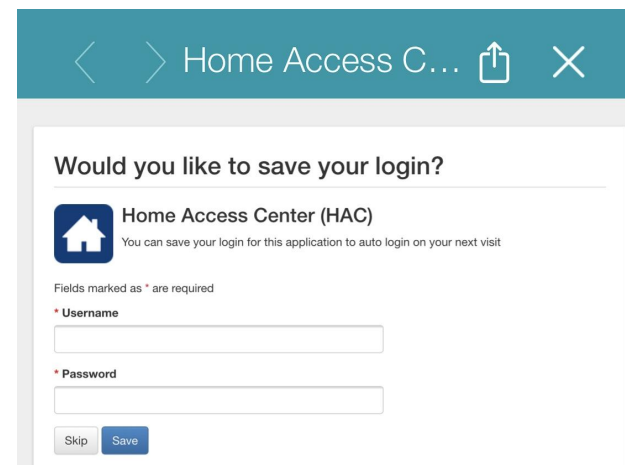

3. My Apps

The My Apps screen is where all of your online resources will be located. Click on an app to launch it within the ClassLink window.

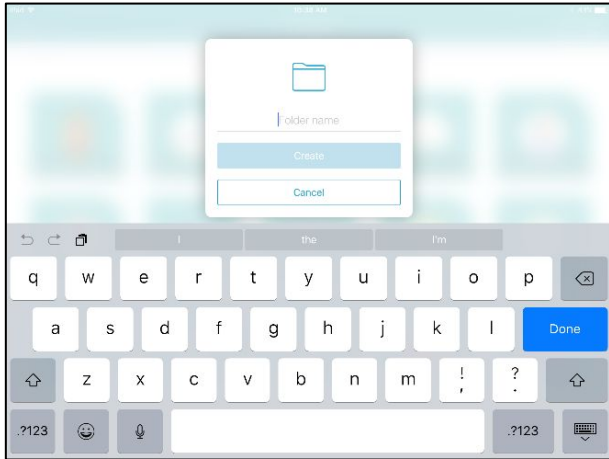

4. Password Locker

If you see this screen when you click on an app, enter your username and password and click the blue Save button. ClassLink will remember it for you.

5. Folders

To create folders, click on the folder icon with the plus sign in the top right and name your folder. Hold and drag apps into the folder.

6. School District App Library

The library contains additional educational resources provided by your district. Click the Plus (+) on the top right to open the library. Slide the switch located to the right of any app to place it on your My Apps screen.
