WHO IS MY CHILD’S TEACHER?

Teachers will contact parents through email to introduce themselves by the end of the day on Wednesday, July 29. During our Virtual Open House event on July 30, parents will be able to view an introductory video from teachers and receive additional information about the start of school. Videos from all RRE staff will be available on our district website. We know these videos won’t be the same as an in-person visit, but we’ll do our best to welcome everyone back!

KINDERTGARTEN AND NEW TO RRE STUDENTS

Kindergarten teachers will be contacting K parents to schedule a time to meet and get a quick peek of their classroom. Mrs. Cox and Mrs. Hughey will be contacting students new to RRE in grades 1-5 for a tour of our school. Teachers will not be present, however, you are welcome to tour the building.

Note: Face coverings are required for all visitors to our school. Thank you for your cooperation!

LEARN FROM HOME

BEGINS AUGUST 17TH

If your student(s) will be Learning from Home, your LFH teacher will reach out to you during the week of August 10th and provide you with important information about the start of school. We will be checking out devices to students in need and who have completed LFH registration. We may have to limit it to one device per family. We will get back in touch with you regarding check-out times during the week of August 10.

VISITORS

FIRST DAY, LUNCH, VOLUNTEERS...

In an abundance of precaution, we will not be allowing parents to walk students beyond the front doors of RRE at this time. Unfortunately, this means those first day of school hugs will need to take place outside the doors but know that we will guide and encourage our young Bulldogs as they make their way to their new classrooms. This policy extends to lunchroom visitors and volunteers as well. We appreciate your support and understanding!

WE ARE SO EXCITED TO WELCOME YOUR CHILD BACK TO SCHOOL!

The health and well being of our students and staff are always top priorities! School will look a little different this year with masks, social distancing, increased emphasis on hygiene and enhanced sanitization of our building but we want you to know that we are glad to be back and look forward to working with our students!

TRAFFIC PATTERN

CAR LINE IMPROVEMENTS

We are expecting more car riders this year and are in the process of making some changes to our car line procedure. Any change is made with your child’s safety as a priority...stay tuned and please be patient!
