Dear Parents/Guardians:

How different have our lives become in just a few short weeks.

Our Bishop has sent a communication saying that our schools are closed until at least April 20th. You can read his entire letter on our website. In it he recognizes how hard it is for families to deal with school closings. I, too, know that it is difficult. However, I am heartened by the way we are all working together – students, parents, teachers. This is not the reality any of us would choose but it is the reality we have and from my perspective you are all dealing with it remarkably well.

Attached is information about joining in prayer with Pope Francis, tomorrow March 27 at 1:00. I hope you can do this. I also encourage you to check the Diocese of Camden website for links to Sunday Mass with the Bishop.

May God continue to bless us all and heal our troubled world.

Blessings,

Sister Sheila
