

Let's uKnight Hoagie Sales & Patron Giving

As a non-profit organization, Lexington Catholic is challenged with maintaining an affordable tuition for all families, while continuing to provide all the resources required of a high quality college preparatory school. Tuition alone does not cover the full cost of each student's educational experience. That gap has to be made up through the generosity of our donors. The Advancement Office is charged with this responsibility and for 2019-20 the goal is **\$611,000**. Achieving this goal gives our faculty and staff the tools they need to provide a first-rate catholic education and helps to keep tuition increases under control.

Hoagies and the uKnight Patron Program:

One of the most unique things at Lexington Catholic is the spirit in which our community comes together for Hoagie Sales.

Hoagie sales and the uKnight fund are vital to our overall Advancement efforts.

Both serve the same purpose of providing tuition assistance, increasing faculty salaries, sustaining our High Marks program, and more. The success of our Hoagie event is without question.

The Community Spirit of serving and connecting is a rich tradition that we want to continue. Yet, production of 40,000+

Hoagies has increasing expense and we cannot increase volume. In order for our Advancement efforts to sustain, we must combine our energy and enthusiasm for both programs.

This is the reason for the combined sales and giving program for our current families.

The *uKnight* Patron program will work in tandem with Hoagie Sales efforts and encourage us all to Give, Connect, and Serve.

August 18th will be the school-wide Hoagie kick off, encouraging 100% student participation, along with incentives for our students, faculty, and staff.

- Now through September 30th families have the option of giving to the *uKnight* Patron Program to be considered as a Hoagie Patron participant

See the *uKnight* Patron Donor Options and the 2019-20 *uKnight* brochure as you consider your role this year. We need the support of everyone in our community in whatever way you are able to [Give, Connect, and Serve](#).

Our Patron Program goal to raise \$172,000 in combined Hoagie Sales and *uKnight* Patron giving by September 30, 2019
