

ESS Substitute Teachers

The Spring Cove School District has partnered with ESS to manage the hiring, training, and placement of our substitute teachers. If you are interested in serving as a substitute teacher in Spring Cove, please visit www.ESS.com to apply or call 877-983-2244 for more information.

Guest Teachers (i.e., substitutes who hold a bachelor's degree, but have not earned a degree/certification in education) are accepted by the District.
