

Dear band families,

First off we are asking students to take ALL equipment home by the end of tomorrow. This includes school owned instruments like French horns and tubas. All band lockers and storage spaces should be empty as well. If students took equipment home today it can stay as we will not play in band tomorrow. The pep band event for tomorrow is postponed as well.

Next – we need families to make sure that all information in Charms is updated. There is information that we may need to disseminate moving forward that we would use Charms. Just this week I noticed several band students that have no contact info in Charms. Please contact me in the band office if you need assistance with this!

Finally – Our biggest concern is for the health and safety of our band students and their families. The band staff will work on some projects at school and are ready to help in any way we can. Please don't hesitate to ask.

Stay safe!

Matt & Marlyn
