April 11, 2019

Dear Incoming TK and Kindergarten Families,

I look forward to your visit on Friday, April 26 for the LCE Kindergarten and Transitional Kindergarten Orientation and Tour. This event will begin at 9:00 a.m. You will need to check in at the main office and get a yellow visitor sticker, so please plan on coming before 9:00 in order to check in since there will be many of you! After signing in, you will wait outside the TK/Kindergarten pod, in the front of the school. I will greet you at 9:00 and direct you to the classroom where your orientation will begin. After the orientation, I will be giving a brief tour. If you've already toured our campus, then you do not have to stay for my tour.

The main reason for this letter is to let you know that the city of La Cañada Flintridge is going to be starting a street improvement project on the same day as our Orientation and Tour. I met with city leaders, and they assured me that the street grinding taking place that day should not affect our Orientation. However, it will likely affect parking. Therefore, I am encouraging you to walk, park at Memorial Park, ride share, or consider other creative options for parking.

There is a map on the opposite side of this letter. On-street parking will be restricted, but the roads will not be closed to traffic in the following areas:

- a. Encinas Drive from Fairview to Flanders Road from 7:00 a.m. to 11:00 a.m.

We will open the back gates on La Cañada Blvd. in case you find parking on that side of campus or can walk from that side. If you do this, you'll need to walk toward the opposite end of the campus to reach the main office.

Thank you for your cooperation,

Emily Blaney
