You Mean Kids Can Survive Winter Recess

Even in the cold winter months, we believe outdoor recess is an important and valuable part of the student's day in the Red Lion Area School District elementary school. With that in mind, we ask that you consider the temperature and weather conditions when assisting your child with clothing for the day. There may be times when the weather is deemed too cold for outdoor recess. We make that determination on a daily basis but please remember that on most days we will have outdoor recess even if it is for an abbreviated time. Winter coats, hats, gloves and long pants are most appropriate on these cold days. We realize that temperatures in our buildings may also vary, so dressing in layers is a good practice. In addition, please consider labeling coats, gloves, hats, scarves, etc. as these items of clothing sometimes go missing. Take the time to check out the Lost and Found at your child's school as each has a large number of items at this time of year.

Thank you for your attention, continued support, and stay warm!

Elementary Modified Kindergarten Procedure

This applies to ½ day kindergarten students only. When school is delayed for two hours due to inclement weather or other issues, the a.m. and p.m. kindergarten will be as follows:

Morning (a.m.) kindergarten sessions will begin at 11:00 a.m. and end at 12:50 p.m. Morning transportation to school remains as it is now, though two hours later. Parent/guardian pick-up is at 12:50 p.m.

Afternoon (p.m.) kindergarten sessions will begin at 1:30 p.m. and end at 3:20 p.m. Parent/guardian drop-off may begin at 1:20 p.m. to ensure that students are in their classrooms in time for the 1:30 p.m. start of school. Students will be transported home in the same manner as it is now done.
