Dear Parents,

These are the school-wide requirements for Brookhaven Elementary's Accelerated Reader Program. The scale below indicates how your child's AR grade will be calculated as a **DAILY GRADE** for the nine weeks:

Accelerated Reader Point Grading Scale

Points	Grade
20	100
17-19	85
14-16	80
11-13	75
8-10	70
5-7	65
4 or less	60

Your child will also receive a second grade based on the comprehension score (percentage correct) for his/her AR average for the nine weeks. This will be counted as a **TEST GRADE**. Students have been assigned AR levels and should be checking out books on their correct level.

Accelerated Reader Point Grading Scale

Points	Grade
100%	100
90-99%	99
80-89%	89
70-79%	79
69 and below	69

In order to participate in the Accelerated Reader celebration each nine weeks your child will need to obtain at least 20 points and have a percent correct average of 85% or higher.
