School of Choice Provision

NDCS-Watts is a school of choice with open enrollment. ALL students who apply are accepted unless there are more applications than there are seats available. If there are more applications received by the published deadline, then a public random drawing is held to provide an equal opportunity for students to enroll. Applications are randomly drawn to determine who will be enrolled for the coming academic year. Once all available slots are filled, students are placed on a waiting list in the order the application is drawn.

Students living within the attendance area of NDCS-Watts who do not desire to attend the charter school may attend another school in the surrounding area. Alternatives to the school for these students living within the NDCS-Watts attendance area who opt not to attend this charter will be the same as those offered to all other students currently residing in the district. These students may attend other district schools in accordance with existing enrollment and transfer policies of the district or county of residence.

Admission and Enrollment Process

Interested parents and students must fill out a preliminary application prior to the enrollment process. This form is available at the main office and it is the first step in the admission/enrollment process.

Once the main office processes the preliminary application, you will then be asked to provide copies of the following documents along with the actual enrollment application:

- Copy of birth certificate
- Copy of IEP and/or 504 Plan from previous school, (only if applicable)
- Updated HRS Immunization Form
- Most recent Report Card

Note: Students will NOT officially enroll in classes until ALL documents are available.

Records and Information Changes

It is your responsibility to inform the Office Manager or Family Outreach Coordinator immediately if there is a change in mailing address, telephone numbers or emergency contact names. Keeping our records up to date helps us to ensure your child's safety and success. The school cannot assume responsibility for missed communications in the event that the contact information is misreported or not updated by the parent or guardian.

Withdrawal Process

In the event that a parent/guardian decides to withdraw their student from NDCS-Watts, our staff will strive to provide the smoothest transition to enroll in the new school.

To withdraw a student from NDCS-Watts, the parent must first schedule an appointment with the Principal to discuss the reasons for withdrawal and fill out the Withdrawal Form. Only upon approval student may begin the withdrawal process.

During the withdrawal process, the student must be present for a **full day** on the last day of attendance. In addition, both parents and students will:

- Student will attend all classes, have teachers sign them out and enter their final grades

- Student will need to bring all textbooks and other school property on their last day of attendance to be checked in to clear student account
- Student will turn in the Withdrawal Form to the Main Office at the end of the day and go through the exit interview - student account will be closed out and student will be withdrawn.

Note: Official withdrawal will not be complete until student account is cleared. Transcripts, records, and diplomas may be held due to un-cleared student accounts.

Curriculum and Instruction

Instructional key elements:

Parent and community connections: Partnerships with parents and community organizations create opportunities to connect classroom learning to real-world experiences and career exploration. Parent involvement is encouraged and greatly appreciated by our staff.

High expectations for all students: All students take courses meeting the University of California and Cal State admission requirements, also known as A-G requirements. Many students also participate in our honors and Advanced Placement courses. In addition to this, we offer support courses in Mathematics and Writing and an academic intervention program, which includes after-school tutoring and summer school.

Technology: Through technology, students access, organize, analyze, and draw conclusions about information and data. It also is a tool for research and presentation for student projects.

Curriculum key elements:

By the time students graduate: All NDCS-Watts students will have fulfilled the necessary A-G coursework to make them UC and Cal State eligible. They will have had the opportunity to perform more community service, and completed a college-preparatory program preparing them for admission to college.

Through our advisory program: Students and parents build valuable relationships with their Advisors. Our Advisors hold students accountable for both their academic progress and behavior, in addition to guiding them through a college-bound curriculum, teaching them the skills necessary to learn about Character Counts, and creating activities to become involved solutions. As our students mature into leaders of our community at NDCS-Watts, we empower them to go beyond our walls to effectively create a just and humane world.

In preparation for college: All students complete a core curriculum meeting the University of California A-G requirements including four years of English, three years of Mathematics and Social Science, two years of Science, as well as Foreign Language, Physical Education, and Fine Arts and elective choices.

Overview of NDCS-Watts Expectations Grades 6-12

Our teachers expect each student will come to class fully prepared, ready, willing, and able to participate in the lessons of the day. The following expectations clearly explain how students should approach their studies.

Absences

Each student is responsible for contacting his/her teacher to receive assignments for classes they have missed, or follow classroom procedures for obtaining the missed assignment. In case of a prolonged absence, a student's parent should contact the office for assistance.

Classroom Attire

Learning deserves an environment of respect and freedom from distraction. All students are required to be in compliance with the dress guidelines during class time each day.

Classroom Conduct

Students are expected to be on time for each class and should not miss any class except in the case of illness or other serious reason. Students are also expected to participate in all class activities as directed by the classroom teacher. Further, they are expected to assist in maintaining order by refraining from disruptive conduct.

Homework

Homework assignments are practice work designed to reinforce concepts taught in class and are assigned by the teacher for completion at home. These practice assignments could be a combination of written, reading, study, and long-term project assignments. All assignments should be neat, complete and on time. Students are expected to complete all assignments in accordance with the student's ability. Any student who habitually does not complete homework/practice assignments on time will be assigned to an academic intervention program.

Materials

Students are required to bring all necessary materials to class. This includes composition books, notebooks, pens, pencils, binder paper, backpack or book bag, and any other materials required by the teacher in a particular class. Each grade level will provide more specific guidelines for materials at the start of the year.

Grading

NDCS-Watts holds high expectations for student performance and college readiness. Course grades are determined by the quality of student products, standards-based unit quizzes and assessments, benchmark assessments, and, at times, high-stakes testing results. Students are expected to pass all A-G required coursework with a grade of “C” or better. Anything less than a 70% is considered an “F.” Teachers and Advisors will work closely with students to help them create goals and strategies to stay on track for both graduation and college acceptance.

Please refer to this grade scale for clarification:

A+ 98-100	A 93-97	A- 90-92
B+ 88-89	B 83-87	B- 80-82
C+ 78-79	C 73-77	C- 70-72

F 69% or below

NDCS-Watts Academic Honesty Policy

NDCS-Watts fosters the culture of honesty, trust, and the pursuit of academic excellence. Students will be responsible citizens who respect the rights of others. Any form of academic dishonesty such as plagiarism or cheating undermines the integrity of the academic program and its teachers, violates the rights of others, and is therefore subject to disciplinary action. This Ethical Contract is intended to protect the culture of honesty, trust, and the pursuit of academic excellence.

Plagiarism

Plagiarism is academic dishonesty; the taking of another person’s work or ideas and presenting them as your own without giving proper credit to the source of the work or ideas. Students must acknowledge the original author or source using the recommended style in each course. Examples of plagiarism include, but are not limited to the following:

- Cutting and pasting from the internet or texts
- Taking words/content from others without giving credit
- Purchasing pre-written essays or papers

Cheating

Cheating is a form of dishonesty where a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained. Each student is expected to do his or her own work. All work submitted by students should be a true reflection of their best effort and ability. Examples of cheating that are unacceptable at NDCS-Watts include, but are not limited to the following:

- Copying another student’s homework
- Using notes on tests or quizzes
- Getting copies of tests or quizzes without teacher permission
- Plagiarism
- Copying or allowing another student to copy from tests, quizzes, homework
- Unauthorized communication with any other person during an exam
- Stealing or destroying the work of another student

Infractions and Consequences

3rd Offense: Further consequences, including a mandatory parent conference with Dean of Students/Assistant Principal, in addition to a 5-day suspension from NDCS-Watts with possible recommendation for expulsion.

- Five-week progress report
- Ten-week progress report
- Fifteen-week progress report

Conferences and Mandatory Tutoring

At times it may be necessary for a student and their advisor to include a parent in a student-led conference. Students with a letter grade of F on a progress report will be required to participate in after-school tutoring three times a week for a period of five weeks. If a student is successful in improving their grades, they are allowed to check out of after-school tutoring after the Advisor has reviewed his/her grade improvement. If a student fails to improve his/her grade, they will be required to stay in after-school tutoring until further notice. Parent will be notified of any changes in student grades.

Parent-Teacher Conferences: Every 5 week grading period parents may schedule parent conferences to discuss student grades and progress. NDCS-Watts administration and counseling department may schedule parent-teacher intervention conferences for students who receive an “F” grade in any core subject.

Grade Book Access (Focus)

Parents and students may access their student's grade book for each course to keep updated on assignment grades, missing assignments, and the overall grade for that course throughout the semester. Logins will be provided upon request. We encourage parents to give permission for student access. It is important that students take an active role in their own learning process and progress towards their set goals. If you need assistance, please contact the Main Office and our College Counselor.

Extended Learning Academy

Extended Learning Academy happens before and after school, extended learning academy is one of our intervention programs to help students improve their academic skills. This program helps them with homework and tutoring.

ASB

NDCS-Watts ASB is comprised of elected officers who work with parents, teachers, and administration on behalf of the student body. The council is committed to embracing and promoting leadership in the school through a range of committees whose purpose is to serve the needs of the NDCS-Watts community. ASB is dedicated to developing leadership skills, enhancing college-ready scholars. In addition, ASB provides students with opportunities to become leaders through coordinating events, peer tutoring, working in the Student Store, fund-raising, and mentoring. By working with other students, ASB encourages and evolves new, empowered leaders who will continue to develop NDCS-Watts future scholars, leaders, and activists.

As representatives of the student body advocate for the students' well being through advising the administration in matters concerning student privilege, behavior policies, and academic classes. The Council provides the opportunity for personal growth, leadership development, and school and community involvement.

Student Food Program

Research shows students who eat a balanced meal are better able to concentrate, learn and ultimately perform better on assessments. Nutrition offers a grain, fruit juice and milk. Lunch is catered and the menu varies month to month. Lunch usually consists of a hot entrée along with a possible side option of bread, salad, fruit or fruit juice, and milk. We are a closed campus to outside foods. Please do not send food with your student or have food delivered. We are happy to accommodate special diets due to medical or religious concerns with accompanying documentation.

College Center

NDCS-Watts has successfully implemented a college program that aids students in receiving access to the resources they need throughout the college application process. The College Counselor continues to build professional relationships with college admission counselors throughout the United States. These connections prove useful in providing the guidance our students need as they explore their college choices, especially for those who are ready and willing to make the college goal a reality for our students.

In the College Center, our college program curriculum has been designed as a component of our Advisory course. The focus on college preparedness increases as students move from their freshman year to their

senior year and includes test preparation, essay writing and review, researching college choices, and preparing a common application.

In addition, the college center helps high school students with planning for their junior summer college resume builder. Students can additionally choose to take advantage of an opportunity to take college courses as high school students on college campuses, or take part in numerous summer program internships provided through many business and community partnerships. Our college center serves students, parents, faculty and staff as a resource for college, scholarships, and financial aid information.

In the College Center you will find:

- College catalogs
- A-G requirements
- College contact information
- Applications
- Testing materials for SAT and ACT
- Scholarship opportunities
- Financial aid materials
- Career and vocational information

The College Center provides:

NDCS-Watts Core Values & Principles

Creating a place where no student infringes on the right of another student to learn is of the utmost importance. Ensuring that the physical environment for our students remains safe, clean, and that the learning environment remains undisrupted is also a priority. Each member of the NDCS-Watts community has a responsibility for adhering to a set of rules and a code of conduct.

Attendance

Classroom attendance is essential to the learning process as is required by the CALIFORNIA EDUCATION CODE. At NDCS-Watts, we believe that student success is directly related with consistent and punctual attendance in class and school related events. Students with good attendance records generally achieve higher grades, enjoy school more, are more successful in their pursuit of higher education, and are more employable after leaving school.

California law states that every student shall attend school punctually and regularly and conform to the regulations of the school. It is ACRPS policy that students attend class regularly; that work missed because of school related activities or illness must be promptly made-up; that truancy is unacceptable; and that other absences approved by the parent be minimized or avoided whenever possible.

NDCS-Watts students must attend school every day and arrive on time to all classes at all times.

All students will be in attendance daily at 7:50 a.m. Please call school before 8:00 a.m. if your student will not be attending due to illness. Additionally, all students are expected to be in their seats, ready to learn, **before** the tardy bell rings for each period.

ALL absences must be verified. Written notes used for verification of a tardy or absence must include the student's full name and grade, as well as a contact phone number.

Students with 10 unverified absences in one semester or 15 in the past twelve months will be referred to the Student Attendance Review Team (SART). Regardless of whether an absence is verified, unverified, excused, or unexcused, parents or guardians **must always notify the school of the student's absence.** All absences must be cleared in the Main Office before 8:00 a.m.

Please note that students who are absent 10 or more times from class are in danger of receiving an F grade and will likely need to repeat the course in summer school or at another time outside of the regular school day. A parent conference to discuss class progress is required.

Verifiable Absences

Reason for absence	Type of Verification
Illness	Signed doctor's note
Exclusion from school (suspension)	Signature from a school administrator
Medical/dental appointment	Signed doctor's note
Quarantine of home	Written verification from Health Department
Funeral <i>(Death of a member of the immediate family)</i>	<i>*Time allowed: one day within the state; three days outside of California</i>
Other justifiable personal reasons <i>(Appearance in court, attendance at a funeral service, observance of a holiday or religious ceremony, etc.)</i>	Verified by attendance clerk and approved by a school administrator

Tardy Policies

A student is considered tardy when he/she:

- Outside the classroom without a signed school pass when class begins.
- Comes from off campus and does not arrive at class before class begins.

For a tardy to be considered “excused,” there must be written documentation of a doctor/dentist appointment, immigration appointment, driver’s license appointment, or appearance in court. Students must have an appointment card or a note written on the doctor’s/dentist’s stationery stating the date and time of the appointment. Parent phone call for tardy explanation may suffice depending on situation. **Students with 3 or more tardies are subject to a parent phone call.**

Truancy

Any student subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse, or who is tardy for more than 30 minutes is considered “truant.” When parent conferences and all other efforts to prevent truancy fail, a referral is made to the Student Attendance Review Team and subsequently to the District Attorney’s Office. The student and parent or guardians may be subject to prosecution for an infraction or misdemeanor.

Truancy Reporting Procedures:

Day of first and second unexcused absence: Call home to the parent/guardian by Principal or designee. The student’s classroom teacher may also call home.

Day of third and fourth unexcused absence: Call home to the parent/guardian by Principal or designee upon each of the third and fourth unexcused absences. In addition, the student’s classroom teacher may also call home and/or the School may send the parent an e-mail notification. Send “Truancy Letter #1” generated by Focus upon reaching three (3) unexcused absences in a school year, the parent/guardian. This letter must be signed by the parent/guardian and returned to the school.

Day of seventh unexcused absence: Send “Truancy Letter #2 – Conference Request,” generated by Focus to parent/guardian upon reaching seven (7) unexcused absences. Schedule a parent/guardian conference to review the student’s records and develop an intervention plan/contract. School may conduct a home visit.

Day ten of unexcused absence: Send Habitual Truancy Re-classification Letter #3,” generated by Focus, upon reaching ten (10) unexcused absences. Refer the student to School Student Success Team (SST) and the School Attendance Review Team (SART). Send the parent/guardian request to attend an evening assembly for parents/guardians of chronically absent students.

Within two weeks of Letter #3 being mailed: Student and Parent asked to attend school SART meeting. School will present evidence of trancies and outreach efforts. SART panel will recommend support services and/or consequences.

School Hours/Bell Schedule

NDCS-Watts is open from 7:30am- 6:00pm throughout the school year. Please call to schedule an appointment if you would like to speak to any staff member, including teachers, counselor, or an administrator.

The school day begins at 8:00am daily and students are dismissed at 3:45pm on Monday, Tuesday, Thursday, and Friday. Wednesdays vary as a full day or as early dismissal days; students leave at 1:45pm at an early dismissal day to

allow for teacher professional development meetings. Please note that NDCS-Watts is a closed campus and students are not permitted to leave except for pre-arranged appointments and a parent/guardian sign-out.

Major Infractions

Major infractions will result in parent conferences and suspension, and/or expulsion from NDCS-Watts. In situations where the law is violated, students are subject to possible arrest. Cell Phones and Personal Electronics Policy

California State law permits students to have cell phones in their possession while on school campus; however, this law also gives school districts and school sites the flexibility to determine their school's usage policy. The policy below clarifies NDCS-Watts cell phone and personal electronics (I-pods, CD players, MP3 players, etc.) usage policy and consequences.

The use of any electronic device is prohibited on campus, while attending school-sponsored activities, or while under the supervision and control of NDCS-Watts staff members. The only exception to this law (California Education Code # 48901.5) is for students who use such a device because it is prescribed by a licensed physician or surgeon for reasons essential to the students' health. **We are NOT responsible for lost or stolen items.** In the event of theft or loss of student cell phones while on campus, the parents should file a police report with the local Sheriff's station so that an investigation by school staff does not interfere with school activities and class time.

- Students ***may NOT*** call on their personal phones for a parent/guardian pick-up during the instructional day for any reason other than a school emergency as determined by administration. Students who do not follow this rule will have their phones confiscated.
- Parents who need to contact their child during the day must call the main office.
- Cell phones are permitted on campus; however, student use of cell phones or personal electronic devices is restricted. Cell phones and personal electronics are not to be used by students during instructional hours.
- Students cannot use cell phones or personal electronics on campus between 8:00 am and 3:45 pm, this will also include all of the Extended Academy days and Saturday School. This includes not using cell phones or personal electronics during passing periods and during lunch.

Consequences for Inappropriate Cell Phone or Personal Electronics Use

If any NDCS staff member determines a cell phone, CD player, iPod, etc., is in use during school hours, the following discipline will be implemented:

1st Offense: WARNING by the teacher/staff member.

2nd Offense: Confiscation of device by staff member. Staff member gives the cell phone or electronic device to the Dean. Device will be returned to parent/guardian.

3rd Offense: Confiscation of device. Device will be returned to parent of guardian after the phone is confiscated and kept at the Dean's office for 2 weeks.

Additional offenses will be handled through a discipline plan and contract between parent/student/site. Failure to give the device to school personnel when requested will result in confiscating the device for a longer period of time.

PLEASE DO NOT BRING CELL PHONES TO SCHOOL IF YOU CANNOT COMPLY WITH THE RULES.

Process for Suspension/Expulsion

Informal Conference

Suspension will be preceded by an informal conference conducted by the administrative staff, with the student and the student's parent. The conference may be omitted if the administrative staff determines that an emergency situation exists. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If the student is suspended without a conference, the parent will be notified of the suspension, a request for a conference will be made and conducted as soon as possible.

Notice to Parents

At the time of suspension, a school employee will make a reasonable effort to contact the parent by telephone or in person to be followed up with a written notification. This notice will state the specific offense committed by the student. In addition, the notice may also state the date and time the student may return to school. If the school officials wish to ask the parent to confer regarding matters pertinent to the

suspension, the notice may note that the parents are required to respond to this request without delay and that student violations of school rules can result in student expulsion from the school.

Length of Suspension

The length of suspension for students may not exceed a period of 10 continuous days unless an administrative recommendation has been made and agreed to by the student's parent. If a student is recommended for a period of suspension exceeding 10 continuous days, a second conference will be scheduled with the parent to discuss the progress of the suspension upon the completion of the 10th day of suspension. All reasonable arrangements will be made to provide the student with classroom material and current assignments to be completed at home during the length of the suspension.

The following procedures will be followed for all in school suspension:

1. Students who receive *in school suspension (ISS)* will immediately report to the room assigned for the ISS.
2. Students are expected to remain seated, quiet, awake, and working on assignments throughout the day. Sleeping is prohibited. No physical contact of any kind between students is allowed.
3. Students who are tardy, absent, or who do not complete the daily work for any reason will be assigned additional time in ISS.
4. ISS assignment log will be delivered to all teachers so that the students know exactly what assignments they are to complete for the day. (One ISS assignment log for each teacher). Students are expected to complete each day's assignment for every class according to directions given. The ISS supervisor will check that work is completed accurately and acceptably. Students will be required to turn in the work to their teacher.
5. Students placed in ISS will be excluded from participation in all extra-curricular activities, including assemblies, advisory activities, sports practices/games or any other activity during and after school. This will continue until the suspension period is completed.
6. Students in ISS will not go out to lunch with the rest of the school. A scheduled lunch period will be provided before or immediately after regular lunch. During this time, students will also be allowed restroom breaks. Students will eat and take their lunch break at the cafeteria eating area under the ISS supervisor and return back to the ISS room to continue working on assignments.
7. No additional food or drinks allowed in the ISS room (except for bottled water).
8. Respect to others must be shown at all times. No foul language, disruptive behavior or physical contact between students is allowed at any time.
9. Students who should have an assignment that requires the use of the computer will obey the policies set forth for appropriate computer use. Students are not allowed to listen to music. *Items will be confiscated.*
10. All regular school rules apply as set forth in the Discipline Guidelines outlined in the Parent-Student Handbook.

Recommendations for Expulsion

Students will be recommended for expulsion if the administrative staff finds that at least one of the following findings may be substantiated:

- Other means of correction are not feasible or have repeatedly failed to bring about proper conduct
- Due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others
- Possessing, selling or furnishing a firearm

Expulsion Hearing

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. The hearing will be held within 30 days after the administrative staff determines that the student

committed an act subject to expulsion. The hearing may be presided over by the Executive Director or an administrative hearing panel appointed by the Executive Director or Principal. Written notice of the hearing will be forwarded to the student and the student's parent at least 10 calendar days before the date of the hearing. This notice will include:

1. The date and place of the hearing.
2. A statement of the specific facts, charges, and offenses upon which the proposed expulsion is based.
3. A copy of the school's disciplinary rules that relate to the alleged violation.
4. The opportunity for the student or the student's parent to appear in person at the hearing.
5. Parent has a right to be represented by an attorney.
6. Parent has a right to bring witness, written statements, written documents

Written notice to expel a student will be sent by the administrative staff to the parent of any student who is expelled. This notice will include the following:

1. The specific offense committed by the student for any of the acts listed above in "Reasons for Suspension and/or Expulsion."
2. Notice of the student's or parent's obligation to inform any new district in which the student seeks to enroll of the student's status with the school

Appeal of Suspension or Expulsion

The suspension or expulsion of a student will be at the discretion of the school administrative staff (or the administrative staff designee). Parents will be notified in advance to enactment of the suspension or expulsion and can appeal a student's suspension or expulsion. A suspension appeal will be heard by the administrative staff, and upon consideration, the administrative staff's decision is final. An expulsion may be appealed within five working days. The student will be considered suspended until a meeting is convened to hear the appeal (within ten working days) at which time the student's parent must attend to present their appeal. A fair and impartial panel of representatives assigned by the CEO hears the appeal. The decision of the panel of representatives will be final.

In the event of a decision to expel a student, the school will work cooperatively with the district of residence, county, and/or private schools to assist with the appropriate educational placement of the student who has been expelled. Any incident of violent and/or serious student behavior will be communicated to the district/school to which the student matriculates.

Readmission Plan

The decision to readmit a student shall be at the sole discretion of the school's governance and the student, parent/guardian, or representative, to determine whether the student poses a threat to others or will be disruptive to the school environment. The student's admission or readmission is also contingent upon the capacity of the school at the time the student seeks admission or readmission.

Health Services

Procedures

Students in need of health services during class time must obtain a Health Referral from their teacher. A student must then report directly to the Office where a staff member will determine the student's needs and take appropriate action.

Illness and Discomfort

Students who feel ill during the school day are dismissed from class to the office. Parents are immediately notified and first aid is provided. If necessary, students can wait in the office until a parent arrives. Major injuries and pain will result in an immediate 911 and parent phone call.

Accidents or Injuries On-site

911 and parents are contacted immediately if a student is injured during the school day. Students are supervised at all times on campus during class time, passing period, and lunch breaks. Witnesses of the injury will be asked to fill out an Incident Report.

Non-Prescription Drug Policy

School employees **may NOT** distribute any non-prescription medication. Students may NOT carry, consume, or distribute any non-prescription medication for pain relief (or for any other reason) to anyone.

Prescription Drug Policy

Students **may NOT** carry or distribute any prescription medication for any other reason. If a student has been directed by a physician to consume prescribed medication, it must be submitted to the office, in order to be logged-in and secured. All medication must be in its original packaging, labeled with the student's name, physician's contact information, and accompanied by administration factsheet.

SUICIDE PREVENTION POLICY

Protecting the health and well-being of all students is of utmost importance to New Designs Charter School-Watts. Our school board has adopted a suicide prevention policy which will help to protect all students through the following steps:

1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends. This will occur in all health classes.
2. The school will designate a suicide prevention coordinator to serve as a point of contact for students in crisis and to refer students to appropriate resources.
3. When a student is identified as being at risk, they will be assessed by a school employed mental health professional who will work with the student and help connect them to appropriate local resources.
4. Students will have access to national resources which they can contact for additional support, such as:
 - The National Suicide Prevention Lifeline – 1.800.273.8255 (TALK), www.suicidepreventionlifeline.org
 - The Trevor Lifeline – 1.866.488.7386, www.thetrevorproject.org
 - Suicide Prevention Crisis Line (877) 727-4747 – a 24-hour crisis line for individuals who are contemplating, threatening, or attempting suicide, including their family and friends.
 - Los Angeles County Department of Mental Health ACCESS (800) 854-7771 – collaborates with Crisis Counseling & Intervention Services for the administration and coordination of all mental health and law enforcement mobile response services in the event of a critical incident, including Psychiatric Mobile Response Teams (PMRT) and School Threat Assessment Response Teams (START). These teams respond to schools, offices, and homes.
5. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.
6. Students should also know that because of the life or death nature of these matters, confidentiality or privacy concerns are secondary to seeking help for students in crisis.
7. For a more detailed review of policy changes, please see the school's full suicide prevention policy.

Personal Property

Students will be solely responsible for bringing items to school and must watch their belongings carefully. The school is **not** responsible for any loss or damage to personal items.

Cell Phones and Electronics

Please see “Cell Phones and Personal Electronic Policies” under Discipline Policy.

Transportation

Students may ride a skateboard or bicycle to school. Upon arriving to campus, students must store their skateboard or bicycle in a designated storage area. Students may not ride their skateboard or bike during the school day or on school grounds. Students who do not adhere to these conditions will have their skateboard/bicycle confiscated. Only the parent/guardian may retrieve the confiscated item.

*****The school is not responsible for any loss or damage to equipment.**

Lost and Found

NDCS-Watts is not responsible for any lost or stolen items kept in student backpacks whether they are school issued textbooks and other materials, or personal items including electronic devices and modes of transportation. Students are encouraged not to leave any of their belongings unattended for any period of time.

Any items of value found should be returned to the main office or Dean of Students. Other found items can be claimed from the Lost and Found. Unclaimed items will be donated to a local charity at the end of each quarter. Please check immediately if you have lost an item.

School Activities

Students may participate in field trips throughout the school year. These trips are a part of the interdisciplinary curriculum and may include walking trips or chartered bus transportation. Participation is required as these are important learning experiences. Only excused absences are permitted. Field Trip Forms will be sent home at least one week prior to the planned trip.

Dances and School Sponsored Events

Dress for most school-sponsored social events outside of the regular instructional day must adhere to the “free-dress policy.” Students who are not dressed appropriately will not be allowed to participate in the activity. Students must remain inside or within specified areas once they have arrived. Once a student leaves the event, the student cannot return. Parents are expected to pick up their student immediately following the end of the event. Parents are also invited to help chaperone school events such as dances and parties. Students are expected to follow school rules at all school-sponsored events.

DANCING:

All dancing should be done with dignity and self-respect. This includes, but is not limited to: MOSHING, SLAM, BODY/CROWD SURFING and BUMP/GRIND. Any chaperone seeing any of the above will ask the student(s) to call home and he/she will be removed from the dance. If you are removed from the dance, you will not be allowed to attend the next scheduled dance.

ADDITIONAL ITEMS:

Glow Sticks are not allowed at any dance. Students with glow sticks will be asked to dispose of them. Dances are for dancing and not running around the school facilities. Chaperones should not have to address this issue.

Disclaimer: Students may be prevented from participating in school activities if there is an existing school debt or disciplinary concern.

Parent Engagement

Parent involvement is a critical component for effective schooling and student achievement. Active and consistent parent engagement with regards to their student's education generally leads to higher levels of student academic achievement. Every other Friday of the month we will have "Coffee With the Principal" Starting at 8:30am-9:30am. Parents please feel free to attend and look at the newsletter for updates on times and dates.

Parent/Student/Staff School Agreement

NDCS-Watts believes students achieve higher levels of success when administrators, teachers, staff, and parents work in collaboration with each other. Your time, talent, and enthusiasm are an integral part of the day-to-day functioning of the school and the overall academic development of your child. As stated in the Parent/Student/Staff School Agreement, each accepts responsibility for the preparation of each student. This document is part of each student's enrollment packet and is explained to all new families at the beginning of the school year. Continuing parents and students will sign the agreement at the beginning of each new school year.

NDCS-Watts believes:

- Parents are needed to take active and meaningful roles ensuring the success of the school.
- Parents must be actively engaged in their child's education and responsible for supporting their child's learning at home.
- Parents must support the goals of the school through their voice and through volunteering or coming to parent meetings or Coffee with the Principal.

Helping Your Child Succeed

Effective and consistent parent participation leads to student success. The following suggestions are to help your child's academic success:

1. Encourage your student to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your student arrives to school on time each day and supports school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Monitor your student's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your student is doing in school.
4. If your student is struggling with their schoolwork or needs help, speak with his/her advisor and/or teachers and ensure that your student attends tutoring.
5. Help your student establish a regular time and place to study and to complete their homework and school projects.
6. Talk to your student about what is happening at school and what they are learning.
7. Attend all scheduled parent/teacher conferences, school activities and parent educational workshops.

8. The Principal or designee may withdraw consent to be on campus even if the visitor has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt NDCS-Watt's orderly operation. If consent is withdrawn by someone other than the Principal, the Principal may reinstate consent for the visitor if the Principal believes that the person's presence will not constitute a disruption or substantial and material threat to NDCS-Watt's orderly operation. Consent can be withdrawn for up to fourteen (14) days.

NDCS-Watts Family Educational Rights and Privacy Act Policy, Student Records, and Directory Information

NDC-Watts complies with the Family Educational Rights and Privacy Act (FERPA), which affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records five (5) business days after the day NDC-Watts receives a request for access.

Parents or eligible students should submit to the Campus Administrator or designee a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Procedures are included below.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

Note that NDC-Watts will not release information to third parties for immigration enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by NDC-Watts to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202

FERPA permits the disclosure of PII from student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the School to record the disclosure. A School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student —

1. To other School officials, including teachers, within the educational agency or institution whom the School has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1)).

2. To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2)).
3. To authorize representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency in the parent or eligible student's State (SEA). Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35).
4. In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4)).
5. To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a State statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5)).
6. To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs, or (c) improve instruction, if applicable requirements are met. (§99.31(a)(6)).
7. To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7)).

(20 U.S.C. § 1232g(b)(1)(L)).
13. To the Secretary of Agriculture or authorized representatives of the Food and Nutrition Service for purposes of conducting program monitoring, evaluations, and performance measurements of programs authorized under the Richard B. Russell National School

Lunch Act or the Child Nutrition Act of 1966, under certain conditions. (20 U.S.C. § 1232g(b)(1)(K)).

“Directory information” is information that is generally not considered harmful or an invasion of privacy if released. 2. Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement;
3. Remain watchful for conditions that create or may lead to a hostile or offensive school environment;

1.3 Substitution of Equipment: In the event the Computer is inoperable, NDCS-Watts maintains the same agreement in effect for any substitute.

1.4 Responsibility for Electronic Data: The Student is solely responsible for any data stored on the Computer. It is the sole responsibility of the Student to backup all data as necessary. NDCS-Watts does not accept responsibility for loss of any such data.

Refer to the *Standards for Proper Care* document for a description of expected care. In the event of damage not covered by the warranty, the Student/Parent will be billed the full amount of the cost of repair or replacement.

2.3 Gross Negligence: NDCS-Watts also reserves the right to charge the Student and Parent the full cost for repair or replacement when damage occurs due to gross negligence. Examples of gross negligence include, for example:

- Leaving equipment unattended and unlocked. This includes damage or loss resulting from an unattended and unlocked laptop while at school. (See the *Standards for Proper Care* document for definitions of "attended," "unattended," and "locked.")
- Lending equipment to others
- Using equipment in an unsafe environment.
- Using the equipment in an unsafe manner. (See the *Standards for Proper Care* document for guidelines on proper use).

2.6 Technical Support and Repair: NDCS-Watts does not guarantee that the Computer will be operable, but will make technical support, maintenance and repair available.

3 Legal and Ethical Use Policies

3.1 Monitoring: NDCS-Watts will monitor computer use using a variety of methods – including electronic remote access – to assure compliance with NDCS-Watts Legal and Ethical Use Policies.

3.2 Legal and Ethical Use: All aspects of NDCS-Watts Computer Use Policy (see Handbook, *Computer Use Policy*) remain in effect, except as mentioned in this section.

3.3 File-sharing and File-sharing Rules: The installation or use of any Internet-based file-sharing tools is explicitly prohibited. File sharing programs and protocols like BitTorrent, Limewire, Kazaa, Acquisition and others may not be used to facilitate the illegal sharing of copyrighted material (music, video and images). Individuals with legitimate, school-related needs to use these tools must seek prior approval from the Principal.

Computer Use and Conduct Policy

The primary goal of NDCS-Watts available technology is to enrich the learning that takes place in and out of classrooms. In particular, technology offers opportunities for exploration and analysis of academic subjects in ways that traditional instruction cannot replicate. However, certain legal and ethical restrictions apply. Also, the limited supply of both hardware and software requires the School to set priorities for use. Academic work for courses always takes priority over any other use of the technology. The following is a list of rules and guidelines, which govern the use of NDCS-Watts technology and Network Resources.

Network Resources refers to all aspects of NDCS-Watts owned or leased equipment, including computers, printers, scanners, as well as email, Internet services, and all other technology-related equipment and services. These rules apply to any use of NDCS-Watts network resources whether this use access occurs on or off campus.

Students may not use network resources:

- to create, send, access or download material which is abusive, hateful, harassing or sexually explicit; NDCS-Watts will not tolerate harassment of any kind.
- to download, stream or listen to Internet-based music, video or large image files not required for school work, as this slows the performance of the network for all users.
- to alter, add or delete any files that affect the configuration of a school computer;
- to conduct any commercial business;
- to conduct any illegal activity or to violate any copyright laws;
- to access the data or account of another user; note that altering files of another user is considered vandalism;
- to install any software or “apps” onto NDCS-Watts computers;
- to copy NDCS-Watts school software as copying school owned software programs is considered theft.

In addition, students may not:

- give out their home address or phone number to anyone on the Internet; this protects users from becoming potential victims of those with criminal intent;
- give password(s) to anyone;
- post anonymous messages;
- forward email commonly known as “SPAM,” Unsolicited Commercial Email (UCE), or “junk email.”

Responsibility for Property

Students are responsible for maintaining a working Computer at all times. The Student shall use reasonable care to be sure that the Computer is not lost, stolen or damaged. Such care includes:

- Not leaving equipment unattended or unlocked while at school or elsewhere.
- Not lending equipment to anyone
- Not using equipment in an unsafe environment.

If the Computer is confiscated, the Student will receive a warning before getting the Computer back. If the Computer is confiscated a second time, the Student may be required to get a Parent signature acknowledging financial responsibility before getting the Computer back. **Unattended equipment, if stolen – even at school – will be the student’s responsibility.**

Discipline

Any student who violates any rules related to technology use will be subject to disciplinary action. The minimum consequence will be a phone call home. Students who violate the file sharing rules (set out in the section above entitled Legal and Ethical Use Policies, part 3.3) will also have their hard drives

restored to the original settings. Serious or repeated violations will result in further disciplinary action.

Legal Issues and Jurisdiction

Because NDCS-Watts owns and operates the equipment and software that compose our network resources, the School is obligated to try to take steps to insure that all facilities are used legally. Hence any illegal use of network resources is prohibited. All content created, sent, accessed or downloaded using any part of NDCS-Watts network resources is subject to the rules stated in this policy.

We may find it necessary to investigate electronic incidents even if they happen after hours and outside of school. The School administration reserves the right, if needed, and at its discretion, to access remotely, open, examine, and/or delete electronic files that violate this Acceptable Use Policy.

Disclaimer

NDCS-Watts does not have control of the information on the Internet or information in incoming emails. The School uses a network filter to help maintain a safe environment. Additionally, the School may choose to block sites that are a distraction from the academic environment or unnecessarily consume network resources. However, it is impossible to filter or restrict access to all sites that may contain questionable information. Some sites may contain material that is defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal or that is otherwise inconsistent with the mission of NDCS-Watts. While NDCS-Watts intent is to make Internet access available for educational goals and objectives and to maintain a safe environment, account holders may stumble upon less desirable content in their quest for knowledge. At NDCS-Watts, we expect students to obey the Acceptable Use Policy when using the Internet and school-wide resources. Students found in deliberate violation of the policy will be disciplined.

In addition, NDCS-Watts account holders take full responsibility for their access to NDCS-Watts Network Resources and the Internet. NDCS-Watts makes no warranties with respect to school Network Resources and does not take responsibility for:

- the content of any advice or information received by an account holder;
- the costs, liability or damages incurred as a result of access to School Network Resources or the Internet; or
- any consequences of service interruptions.

Internet Safety

In compliance with the Children's Internet Protection Act ("CIPA"), NDCS-Watts will implement filtering and/or blocking software to restrict access to Internet sites containing child pornography, obscene depictions, or other materials harmful to minors less than 18 years of age. The software will work by scanning for objectionable words or concepts, as determined by the School District. [Note: CIPA does not enumerate any actual words or concepts that should be filtered or blocked. Thus, CIPA necessarily requires that NDCS-Watts determine which words or concepts are objectionable.] However, no software is foolproof, and there is still a risk an Internet user may be exposed to a site containing such materials. An account user who incidentally connects to such a site must immediately disconnect from the site and notify a teacher or supervisor. If an Account user sees another user is accessing inappropriate sites, he or she should notify a teacher or supervisor immediately.

- In compliance with CIPA, NDCS-Watts will implement a mechanism to monitor all minors' on-line activities, including website browsing, email use, chat room participation and other forms of electronic communications. Such a mechanism may lead to the violation of this Policy, the appropriate disciplinary code or the law. Monitoring is aimed to protect minors from accessing inappropriate matter, as well as help enforce this policy, on the Internet, as determined by the school board, local educational agency or other related authority. NDCS-Watts reserves the right to

monitor other users' online activities, and to access review, copy, store or delete any electronic communications or files and disclose them to others as it deems necessary.

- If a student under the age of eighteen accesses his/her NDCS-Watts account or the Internet outside of school, a parent or legal guardian must supervise the student's use of the Account or Internet at all times and is completely responsible for monitoring the use. Filtering and/or blocking software may or may not be employed to screen home access to the Internet. Parents and legal guardians should inquire at the school or district if they desire more detailed information about the software.
- Account users shall not reveal on the Internet personal information about themselves or about other persons. For example, Account users should not reveal their full names, home addresses, telephone numbers, school addresses, or parents' names on the Internet.
- Account users shall not meet in person anyone they have met on the Internet in a secluded place or a private setting.
- Account users will abide by all NDCS-Watts security policies.

All such materials are the property of NDCS-Watts. Account users do not have any right to or expectation of privacy regarding such materials.

Penalties for Improper Use of Technology and DNCS Accounts

Inappropriate use may lead to any disciplinary and/or legal action, including but not limited to suspension or expulsion from NDCS-Watts, or criminal prosecution by government authorities. NDCS –Watts will attempt to tailor any disciplinary action to meet the specific concerns related to each violation.
