### Daily Schedule
- Students will follow a daily schedule for learning.
- Students should work each at home as if it were a regular school day.
- School starts at 8:30 a.m. for all grades.
- School ends at 2:15 p.m. for TK-grade 3.
- School ends at 2:35 p.m. for grades 4-6.
- Break: 10:00-10:15 a.m.
- Lunch Break: 11:45 a.m.-12:30 p.m.
- Attendance will be taken throughout the school day.
- Preschool starts at 9:00 a.m. and ends at 11:30 a.m.

### Technology & School Supplies
- Robla will provide everything students need for Distance Learning.
- The district will loan a computer to every student and hotspot devices to families that need help connecting to the Internet.
- School supplies, books and workbooks will be provided to each student.

### Daily Instruction
- Daily live lessons
- Assignments
- Activities and projects
- Websites and apps
- Some independent work
- Schools will keep records of students engagement in live (synchronous) instruction and independent work (asynchronous).

### Food Services
- Robla School District will provide food to students only, beginning on the first day of school.
- Our Meals on Wheels program will bring meals to our bus stops on a regular weekly schedule. Please visit the district’s website at robla.k12.ca.us for the schedule.
- Students or parents must have a school identification card to pick up meals.

### Weekly Enrichment
- Art
- Physical Education
- Technology

### Student Mental Wellness
- Teachers and schools will monitor students’ emotional state and provide support as needed.
- Social workers and psychologists will provide services, as needed, to students in a virtual format.
- If a parent or caregiver has concerns about their child’s mental or emotional wellness, please contact your child’s teacher or your school.

### Student Support Services
- Students who are English Learners will receive all services that they would receive if they were attending school in person each day.
- Special Education students will receive services outlined in their IEP or 504 plan.

### Staying Connected
- Teachers will work to build relationships and connections with students and families through daily live instruction, calling home, and connecting with apps.
- Schools will stay connected with families through texting, phone calls, their websites, email, and social media.
- For updates on Distance Learning follow the Robla School District on Instagram and Facebook, and check our website regularly.

*Returning to school depends on Sacramento County COVID-19 cases, and direction from the State of California and Sacramento County Public Health.*
