Summer 2019

Dear 8th Grade Parents,

Summer is here and with that, comes beaches, sun, and a good summer book. This summer, the students heading into the 8th grade will be assigned *Forge* by Laurie Halse Anderson. This book was chosen because the 8th grade will be studying early American history in 8th grade and *Forge's* setting is Valley Forge during the winter of 1777-78.

On the next page, you will find the reading guide that should be given to your child. It gives a very brief description of the book and provides instructions on the writing assignment that corresponds to the book. We ask that each student answer all the questions from the reading guide. Each question's response should be a paragraph long. The answers to the questions are due on September 10th.

If you have any questions, please don't hesitate to contact me at mcohen@hilltopprep.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Cohen', with a stylized flourish at the end.

Forge by Laurie Halse Anderson

“In this [book] we learn what it takes for runaway slaves to forge their own paths in the midst of the chaos of the American Revolution.

In the desperate circumstances of the Valley Forge winter, Curzon the boy becomes Curzon the young man. In addition to the hardships of soldiering, he lives with the fear of being discovered as an escaped slave passing for free. Isabel is also at Valley Forge—against her will. She and Curzon have to sort out the tangled threads of their friendship while figuring out what stands between the two of them and true freedom.”
