

American Studies Summer Reading

Students in the American Studies interdisciplinary course should also read the novel *Slaughterhouse-Five* by Kurt Vonnegut. This reading must be done **in addition** to the regular summer reading options. We will discuss and write about the novel in the first few days of class, so have the book read by Sept. 4, 2019.

Here's a link to the novel on

Amazon.com: https://www.amazon.com/Slaughterhouse-Five-Novel-Modern-Library-Novels/dp/0385333846/ref=sr_1_2?keywords=slaughterhouse+five+paperback&qid=1559676533&s=gateway&sr=8-2, but you can also find the novel at any public library.
