

# *Hopewell Elementary School* *Spring Fling*

Please join us for our biennial night of philanthropy and fun! The Spring Fling is an adults-only opportunity to gather as a school community to celebrate and support the extraordinary students, teachers and staff of Hopewell Elementary School.

This year we are celebrating ***Growing Up Green!*** “Going green” is more than a catchphrase at HES. Our students embrace and deeply believe in the power to change and better our environment.

In order to make this event a success, we look to generous local businesses, organizations, and individuals for help. Any contributions are greatly appreciated!
