CIS students enjoy “Do Your Best on the Test” parade

When testing time rolls around, students can be overwhelmed by feelings of stress and pressure to perform.

This year, Coldspring Intermediate students were treated to a display of encouragement and support from fellow students, faculty, and staff with a “Do Your Best on the Test” parade.

Instructional Aide Penny Bass was the organizer of the event that brought together students from James Street Elementary, Coldspring-Oakhurst High School, staff from our Child Nutrition Dept., and faculty and staff from

around the district with signs, a drumline, and plenty of high-fives for the kids.

“It takes a district family to support a campus and we are so grateful.” said JSE/CIS Principal Stephanie Mizelle. “The kids felt important and like they really mattered at this high-pressure time.”
