

Dear Parents and Guardians,

To try to eliminate some confusion and potential problems, please use the attached forms when your student is going to be riding a different bus than normal. If you do not use this form, the same information **must** be included in your note. These forms can be printed from the District Website under Services, Transportation and will be located on the right side in the blue block. This is being required to ensure that your student is dropped off at the correct location.
