

8th Grade Night Letter

September 30, 2019

Good morning,

We are less than two weeks away from our Annual WWJH 8th Grade Night with the TMHS Band. I hope you are getting excited! This is always one of the big highlights of the year. Even if you are not sure about High School Band, I assure that you will have a great time that night.

All 8th graders will receive an 8th Grade Night T-Shirt to wear that night. The shirts will be handed out at the WWJH Fall Concert next Monday. We will have a table set up in the lobby. Please be sure to grab your shirt that night. (FYI – These shirts have all of our spring and summer marching band dates on the back.)

I will send out specific times next week. In the meantime, please let me know if you have any questions.

Have a great week!

Andy Easton

Director of Bands

Fine Arts Department Chairman
