

Take the Superintendent's 2018 Summer Reading Challenge!

To: Students in Grades K - 5
From: Dr. Richard D. Tomko, Superintendent of Schools

Summer is the perfect time to **Read! Read! Read!**

I challenge each of you to read as many books as you can this summer. Your summer reading lists and logs can be found on our district website, www.bellevilleschools.org.

Every time you read a book, remember to log it in on the forms you received. Your completed reading logs will need to be returned to your classroom teacher on the first day of school in September. The student who reads the most books from each school will win a \$25 gift card to Barnes and Noble.

A wonderful summer vacation begins with opening and reading a book.
HAPPY READING!
