Materials and Activity Fee • 2018-2019

Portland Village School requests a Materials and Activity Fee at the beginning of each school year to help cover the costs of school supplies and activities. The materials we use at PVS are high quality and customized to support the curriculum at each grade level. These materials include high-quality beeswax, colored pencils, crayons, fountain pens, main lesson books, painting paper, wool, yarn, and more. Currently, PVS orders and distributes these materials, relieving each family the burden of shopping for these supplies each fall. PVS also provides students many unique learning activities and experiences that are connected to the curriculum in deep and tangible ways, but require significant funds. If each family pays \$195 per student, we can cover all materials and activity costs for the school year.

Please complete form below and turn into the front office by Friday, September 28th.

My family will pay our Materials and Activity Fee of \$195 per student as follows:

- Check
- Credit card
- Contact business manager to make payment arrangements: Kevin Mai, 503-445-0056 or business@portlandvillageschool.org

Parent/Guardian Name: _____

Mailing Address: _____
