Preparing every student for academic excellence in high school, college, and beyond.

March 25, 2020

Dear RCCS Families:

I hope that this finds each and every one of you healthy and well.

As you know, the Coronavirus-19 situation, is everchanging and fast-moving. The recent Executive Order from the NJ State Governor's Office, as well as, the Executive Order from Newark Mayor Baraka mandates that we continue social distancing practices to ensure the health and well-being of every member of our community. Therefore, this comes as an update to our School Closing Plan as it relates to both our initial return to school date and our food distribution days.

Roseville Community Charter School will continue to be **CLOSED for traditional, building-based instruction *Until Further Notice***. This will most-likely extend our online home instruction through our pre-scheduled Spring Break which is April 10th through April 19th. During our Spring Break, your child's teacher will provide a "Spring Break Packet" that we will ask *all scholars* to complete as practice / reinforcement of concepts and skills taught online. Scholars WILL NOT need to login at the 8:00 am time during Spring Break but *will be* expected to submit their completed "Spring Break Packet" on April 20th. This packet of work will be expected to be submitted whether we are back in the building for school or still engaged in online home schooling. You will receive instructions with the "Spring Break Packet" the week of April 6th and this school work packet will be made available on our website.

We appreciate all of our RCCS parents / guardians who have really made sure that your children are logged in and engaged in their online instruction, or who email their children's teachers each day to indicate that they are working on their packets of school work, every day at **8:00 am!** We also appreciate the many RCCS parents / guardians who have maintained ongoing communication with their children's teachers and who ensure that their children are following the school schedule provided. This is so important to ensure that your children maintain the engagement and the academic rigor necessary for them to continue learning while at home. Please contact the school's main office via email at [mtorres@rosevillecharter.org](mailto:mtorres@rosevillecharter.org) or contact your child's teacher via email if you need assistance in ensuring that your children are actively engaged in online / home instruction daily.

Food distribution days have been changed to **Tuesdays** and **Thursdays** from **7:30am to 10:00am** using a "Grab n' Go" distribution process outside of the Orange St. school entrance. Food will be distributed as 3-Day Breakfast & Lunch Bundles to ensure that a week's worth of food is still made available to families.

Please remain healthy and well during this time. We miss seeing you every day!

Dr. Ledford  
Executive Director
