

## CONNECT ED CHEAT SHEET

1. Login to ConnectEd (If you remember or have your login information skip down to the entering of the master codes.)
2. When prompted for your user name type in your school email address
3. Click "forgot user name"
4. An email will be sent with your new user name.
5. Check your e-mail and login with the new user name
6. Security question is "favorite city" Response is San Miguel

This should get you into the Connect Ed website where you can then input your Master codes for access to all the curriculum. You **MUST** enter the Wonders California student and teacher codes prior to entering the ELD codes. Each teacher must enter their own codes so they have access or if you have your grade level partner's codes one teacher at each grade level can do that as well.

### How to access and input the codes:

1. Go to ConnectEd
2. Login with your user name and password
3. Click the yellow redeem master codes
4. Type in the CA Wonders Teacher master code from sheets provided. Complete as prompted. THE WONDERS MUST BE COMPLETED PRIOR TO THE ELD BEING INPUT.
5. Repeat the process for CA Wonders student master code, ELD student and ELD teacher master

If you have any questions call or come by and see me and I'll give you the help that you need.
