CAFETERIA LUNCH ACCOUNT INFORMATION

Shelbyville High School is dedicated to the health and well-being of our students. We recognize the positive correlation between providing nutritious meals and a student's ability to learn.

Because of this, we want to make sure that parents are aware of our corporation policy.

Our policy states that students who have a negative balance in their My Schools Bucks account or do not have other forms of meal payment for their students (unless qualified for Free and Reduced status), will be given an alternative lunch option.

Students should no longer go through the lunch line and charge a meal.

Financial assistance is available if you are unable to afford daily lunch for your student; however, you must fill out the Free and Reduced Application found here to become eligible: <http://www.heartlandapps.com/>

If you have questions or need assistance with this process please call Mrs. Miltz, Principal, or Nick Koenig, Cafeteria Administrator at 317-398-9731 Ext. 2404. We are here to help!
