Color Me Blue/Purple

Blue and purple fruits and vegetables add beautiful color to your plate and health-enhancing antioxidants, phytochemicals, and flavonoids to your diet. Purple and blue produce helps to lower the risk of some cancers, promote urinary tract health, and maintain memory function. Are you familiar with blue and purple fruits and veggies such as eggplant, purple cabbage, purple peppers, purple grapes, and blueberries?

Where is the **Culinary Explorations** team this time? **Santa Fe, New Mexico!** This month, tickle your taste buds with a special meal of chicken enchiladas, southwestern black bean salad, and a zucchini and tomato dish called calabacitas. Did you know Santa Fe's full name is "La Villa Real de la Santa Fe de San Francisco de Asís" which translates to "The Royal City of the Holy Faith of Saint Francis of Assisi?"
