### Parent Teacher conferences

As a school community we would like to welcome all parents and guardians to join us for parent teacher conferences. This is a great opportunity for you and your student to connect with each of the teachers who are supporting your child this semester. We would like to see all of you during conferences, however, if your child is struggling it is critical that you and your child take time to meet with their teachers. The success of our students is a collaborative effort between our families and our staff. Parent Teacher Conferences will be held on October 10th and October 11th from 4:00 p.m. to 8:00 p.m. in the high school gymnasium.
