Brea Olinda Unified School District Names New Principal of William E. Fanning Elementary School

BREA, Calif. - Brea Olinda Unified School District (BOUSD) is pleased to announce that Mrs. Theresa Stevens has been selected as principal of William E. Fanning Elementary School. Mrs. Stevens is no stranger to Brea as she has spent the past two years serving as assistant principal at Brea Junior High School.

With more than 16 years of education experience, Mrs. Stevens has worked as a teacher who excelled in the instruction of Common Core and the integration of 21st Century technology. As assistant principal at Brea Junior High, she provided insight to the type of rigor and standards students need to be college and career ready.

Mrs. Stevens stated, "It is an honor to have been selected to lead a school with such a strong sense of community and heart. I can't wait to meet all of the students and families at Fanning." She added, "It is my goal to create an environment where students feel safe, challenged, and supported. We have an amazing group of students, parents, teachers and staff dedicated to providing a positive culture where every student can reach their highest potential."

The Board of Education will take formal action on the appointment of Mrs. Stevens at their next regularly scheduled meeting on July 25, 2016.
