

TWO-WAY BILINGUAL IMMERSION

TWBI is now recruiting students for 2019-2020

For students entering TK, Kindergarten and First grade*. TWBI is a unique opportunity to learn to read, write, and speak naturally and fluently in two languages: Spanish and English.

Program participants are required to make a commitment to continuous enrollment to ensure full academic benefits of the program and student success. Cognitive benefits, higher standardized test scores, sociocultural awareness, and economic benefits. Research indicates that over time, students demonstrate above average achievement in comparison to students in mono-language settings.

Completing K-8 sets the student on a pathway to attaining *The State Seal of Biliteracy* on their high school diploma.

*Spanish assessment is required after first grade.
