Dear Roman Family,

I am writing to inform you that I have accepted a position as a Director in Local District West. This change is bitter sweet for me, as I enjoy working alongside of you all and am proud of the work we have done here at LAHS. However, this is an opportunity for me to support other schools and bring about for them so many of the positive changes we have seen at our school. Serving as Principal of LAHS has been a great honor and defining part of my life. When arrived, I had so many ideas and dreams for the students of this school. I am happy to say, I have seen so many come true.

It has been a pleasure partnering with faculty, staff, students, and parents to development and implement new programs and activities to support our students, these partnerships that have made my tenure at LAHS such a pleasure. I truly believe that we have gathered a group of talented and passionate teachers and staff that together make up this school, who will continue to push forward to insure LAHS students are receiving the best education possible. I appreciate the many memories I have made together with our school community; and I will always feel like a part of the LAHS family.

Warmest regards,

Travis D. Brandy, Ed.D.
